

THE
TATLER
1940

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1995. The public sector has also become an important employer of women, with 55% of public sector employees being women in 1995, compared with 45% in 1980.

There are a number of reasons why the public sector has become an important employer of women. One reason is that the public sector has a high proportion of jobs that are traditionally held by women, such as teaching, nursing, and social work. Another reason is that the public sector has a high proportion of jobs that are part-time or flexible, which are more likely to be held by women. A third reason is that the public sector has a high proportion of jobs that are in the service sector, which is also a sector that is traditionally held by women.

The public sector has also become an important employer of women because of the increasing demand for public services. As the population ages, there is a growing need for services such as health care, social care, and education. This has led to an increase in the number of people employed in the public sector, and a corresponding increase in the number of women employed in the public sector.

There are a number of challenges facing the public sector in the future. One challenge is the need to reduce costs and improve efficiency. Another challenge is the need to attract and retain staff. A third challenge is the need to provide high-quality services. These challenges will require the public sector to continue to evolve and adapt to the changing needs of the population.

Despite these challenges, the public sector remains an important employer of women. It provides a range of opportunities for women to work in a variety of roles, and it offers a range of benefits and support for its employees. The public sector will continue to be an important employer of women in the future.

The public sector has a long history of employing women, and it has played a significant role in the development of the women's movement. The public sector has provided a platform for women to voice their concerns and to advocate for change. It has also provided a space for women to develop their skills and to advance their careers.

The public sector has a responsibility to ensure that it is an inclusive and equitable employer. It should provide equal opportunities for all women, regardless of their race, ethnicity, or social class. It should also provide a safe and supportive work environment for all women. The public sector should continue to be a place where women can thrive and make a difference.

The public sector has a bright future. It has the potential to be a place where women can work in a variety of roles, and where they can advance their careers. It has the potential to be a place where women can make a difference and improve the lives of others.

Foreword

ANOTHER YEAR, A NEW MILESTONE, AND WE GIVE YOU
THE 1940 TATLER—A STREAMLINED EDITION—IN KEEP-
ING WITH THE SIGNS OF THE TIMES.

THE STAFF HAS ENDEAVORED AT ALL TIMES TO KEEP
IN MIND THE GOAL OF "A YEAR OF SCHOOL ACTIVITIES"
ACCURATELY RECORDED FOR US OF 1940 AND THOSE
OF YEARS TO COME.

WHEN ONE HAS PERUSED HIS COPY OF *THE 1940 TATLER*
AND IS FILLED WITH LOVE AND APPRECIATION FOR
HIS ALMA MATER—THEN OUR EFFORTS SHALL NOT
HAVE BEEN IN VAIN.

The Staff

Contents

Faculty

Not many changes here from '39—no marriages or deaths— a few transfers to other systems bring us some right new faces.

Classes

We say hello and bid adieu in all too brief a time to many seniors fine, Our juniors and our sophomores really do shine.

Athletics

Redbirds capture tie in football championship and whip those Cadets for number 9 in a row. Just read and see —there are other sports with much ado.

Organizations

It just can't be truthfully said that too many clubs infest our nest. Let's see what ours have done and organize some others.

Features and Advertising

If Advertising we have stressed—we have some Features too. And when a buying you do go our advertisers you must know.

FRIEDA PERRIN

Honoring

One who is completing her twenty-sixth year of teaching in Alton High. The first four of these years were spent in Horace Mann High School before "Pie-Town" had become a part of Alton proper, ten years at Roosevelt High and twelve years in the present building.

Frieda Perrin is and always has been a teacher who gives her time freely to those who need help to overcome scholastic difficulties—both inside and outside of her classroom. Her influence in encouraging pupils to do their best in every task has helped many a pupil achieve not only a grade but a sense of personal achievement. This is a service upon which no dollar value can ever be placed.

W. R. CURTIS

Superintendent

Mr. Curtis is completing his nineteenth year as superintendent of our school system. School district No. 151 has more than six thousand seven hundred pupils ranking from kindergarten to graduating seniors in the high school. It is the duty of Superintendent Curtis to supervise the health and education of all these pupils and to assist the Board of Education in providing the necessary financial set-up.

C. C. HANNA

Principal

Mr. Hanna is completing his tenth year as principal of Alton High. In recognition of this service and in appreciation of his work as principal the faculty gave an "anniversary" dinner at "The Maple Inn" honoring Mr. Hanna and presented him with an engraved desk set.

OUR DEANS

DINSMORE WOOD

Dean of Boys—Civics

Assistant Principal

CAROLYN WEMPEN

Dean of Girls—Math

Frequently one or the other of our "Deans" and sometimes both of them find days when there are more problems to be solved than time permits. However, on the whole, our student body is well behaved and good order is preserved with a minimum of effort expended by all of those directly concerned.

Football . . . Season of 1939

Football practice opened early in September with many a query as to Alton's chances in '39. No one seemed very enthusiastic about any chance for the Redbirds to go places. However, Coach Jackson set to work along with his new assistant—Geddes. Geddes played his college football at Oregon State. The squad was large and Jureziz—another new man on our coaching staff—helped out by taking the boys who were too light or too inexperienced for tough football this year and worked with them looking toward 1940. Coach Jackson had Schreiber, Schwartz, Diaz, Redmond, McCaskill, Lazar, Moore, Stallings, Beane and Wood for a group around which to build. All these men had been regulars or had seen some service in the 1938 campaign. One thing evident from the first day was this—the Redbird outfit was light and how could this be overcome? Then, too, a new center to take the place of 138 lb. Chuck Tackwell must be found. But from problems to the regular season we shall go.

Central of St. Louis helped the Redbirds pry off the lid for the 1939 football season. Schwartz and Schrieber: at ends, Diaz and Lowery as tackles, Gaines and Ash at guards, Moore, center, Wood at quarterback, McCaskill and Redmond as half-backs, and Lazar at fullback were starters. Before the game had gone very far it appeared that the Redbirds might be a tough team to beat since they were passing accurately, blocking and punting well, and playing smoothly. When the final whistle was tooted the press found Alton had won 25-0 while nearly every player on the Alton High squad had had a chance to play.

Madison was the first opponent in conference play and they threw up such a strong defense that the first quarter had Alton fans wondering what might happen. In the second quarter passes began to fly with Lazar, Redmond, McCaskill and Schwartz having much to do with this "air" barrage. Thirty-five Redbirds saw service in the game and our third string players were on Madi-

son's 2 yard line when the game ended. Touchdowns were scored by McCaskill, Redmond, Lazar 2. Madison had lost 28-0.

Edwardsville Tigers were all set to go places in the conference this year and owned some nice wins when the Redbirds journeyed there for the third game of the season. Using the "airways" in the third quarter, Wood, Schwartz, Redmond, Lazar and McCaskill tossed, passed over, around and past Edwardsville so effectively that the Tigers had to eat "crow" while McCaskill took the touchdown pass for what proved to be the victory. Late in the fourth quarter the Tigers drove to the Alton 3 yard line but Stallings and Moore played a hand in giving Alton the ball. Stallings replaced Schreiber at right end when Bob was injured in this game. Jim never gave up

his line position during the remainder of the year. A Redbird victory 6-0.

Wood River brought a good and heavy team to Alton and at least 1200 fans. Secret practice sessions for a week had the Oilers at their best. They were all set to stop Schwartz as a pass receiver. So—the Alton light-weights played straight football on the ground. Near the end of the first quarter McCaskill caught the "coffin corner" and the ball went out of bounds on the Oiler 1 yard line. Joe Astroth punted to the 29 but Alton carried the ball to the 2 yard line as the quarter ended. Two plays in quarter 2 netted an Alton touchdown by McCaskill. In the fourth quarter Lazar recovered an Oiler fumble. He shot an unexpected pass to Schwartz on our first play that was stopped on the 11 yard line. Lazar

scored on the third line play. Wood River was defeated for Alton's 12th victory over the Oilers in 16 years—score 12-0.

By now it was evident that the winner of the East St. Louis-Alton battle had a fine chance of winning the conference. The weather was not ideal for a game and the Packers seemed to get most of the breaks of the game. Each team respected the others power so much that it soon became a battle of defenses. Alton got in hot water early in the first quarter when one of our punts rolled out on Alton's 11 yard line. Alton held at the 5 yard stripe and East Side's greatest opportunity to score was gone. Naughton proved to be our best punter of the evening. WTMV of East St. Louis gave Schwartz a big hand both as to playing ability and "captaining" his squad.

Belleville called on the Redbirds and found the "Birds" to be plenty tough as well as out for revenge for the tricks the Maroons had used in '38 to give us our worst defeat in six years. The "airways" fairly boomed with Alton passes during the evening and with four minutes of play the Conference Champs of '38 saw Alton score a touchdown and point. Passes either netted or set up the other touchdowns. In the 3rd quarter Belleville needed only half a yard for first down but a line buck failed and Alton drove through for a touchdown immediately thereafter and then added another while Belleville became the first team to cross our goal line in '39. Redmond 2 and McCaskill scoring for Alton in our best air attack so far in the season. Final count 20-7 Alton.

1939-40 Basketball

The Redbirds in the hardwood sport found a new coaching set-up when the season got under way. As coach we found Robert Geddes who came to us after five years at Ritenour High in St. Louis County, Mo., where he enjoyed a successful athletic career. As assistant coach we found Antone Jureziz who came to us after nine years at Jennings High in St. Louis County, Mo.

Geddes and Jureziz found a big task in building a team since Pinkerton, Lazar, Campbell, and Freeman were the only ones from the first team squad of last year on hand and of these Lazar and Pinkerton were to be through at the end of the first semester. Many new faces were on hand and the coaches set to work to see what could be done toward building a formidable team.

The Redbird basketeers opened their bag of tricks at Gillespie on December 8, but Red Nicolet's crew had a short season of practice and enough games experience that they set us back by a 26-16 tune. Alton had plenty of good shots but the ball wouldn't go through the pay-off station. The next night we played host to Jerseyville and upset them 43-20. The following week the squad invaded Litchfield and grew better as the game grew older. Litchfield was plenty thankful to hear the final whistle while they still had a 3 point lead and won 33-30. Even in this defeat it began to look hopeful for a good season. Conference hostilities opened December 15, at Wood River. Our sharpshooters were as scarce as chicken teeth and it seemed as if the Oilers had magnetized their basket and were using a metal ball. We lost 43-15. Again Alton hopes were sent high when Edwardsville dropped into our gym and then dropped out again after losing 20-15.

During the Christmas holidays the squad journeyed to Mt. Vernon for the invitational

which Alton won in 1935. A slow first 3 quarters lost for Alton when the fourth quarter produced as many points as the first three had. Albion won 32-28 and Granite City won the tournament.

Play resumed after vacation on January 5, when we met Collinsville there. They proceeded to plaster us 40 to 25 but we drew blood again the next night when we came through late in the fourth quarter to subdue Madison 31-30 on their floor. The following week we were off color and lost to Belleville, there, 30-15 on Friday night, but hit pay-dirt in East Side on Saturday night where we upset Pick Dehner's "Packers" 38-31. Granite City mowed us down 45-26 and looked like champions as early as January 19. The next night found Alton in Vandalia and with 3 minutes to go Vandalia pushed into a lead—we lost 32-28. Wood River called here January 25 and got away with a 39-29 victory to appease their anger of a year before when we stopped them in an overtime game. Our second home game of that week found Decatur scoring in the first half every time they shot and we lost 43-23. Edwardsville's Tigers "laid" for us February 2, and pasted a defeat on us 38-31. The next night the Kahoks scalped us right here on our own floor. The next week Madison came here and lost 29-22 and then Belleville the very next night nosed us out 24-21 in a tight battle. February 16, East St. Louis brought our home games for the season to a close by letting us win 42-35. A week later Conference play ended at Granite where we were trounced 61-30. The State Champs were on their way.

Troy was made awfully happy in the sectional meet at Edwardsville on March 7, when they spoiled our tournament chances 38-36. With hopes we look to 1940-41 since the second team won 11 games and lost 4 for a "hope" builder.

SEASON'S RECORD

Alton defeated Western Military, Y.M.C.A., Highland and East St. Louis; being defeated by Granite City and Belleville twice and E. St. Louis once.

Edwardsville and Madison dropped from the Conference; but we hope to see them back in next year.

SECTIONAL TOURNAMENT

Held at Granite City. Alton entered all weights excepting the 165 lb.

Johnesee got first in the Heavy-wt. division
Drexelius got second in the 175 lb. division

Yeakey got third in the 125 lb. division
Waters got third in the 115 lb. division

STATE TOURNAMENT

Johnesee got second in Heavyweight division

Drexelius got fourth in 175 lb. division

First row: James McFarland, Gilbert Whitten, Bill Ash, Kenneth DeSherlia, Lindon Glass, Ray Platter, Jim Coleman.

Second row: Jim Beall, Carl Platter, Nick Brown, Franklin Harrison, John Schoppet, Joseph Waide.

Third row: Herman Bockstruck, Max Olson, Craig Beane, Bob Bruce, Jim Stallings, Warren Elsner.

Track

Considering that this is the first year that Alton High School has participated in track for several years, the season as a whole can be considered a success although only one meet was won. Success in track depends to a considerable extent upon experience which you can say the boys were getting this year, under the guidance of Coach Jureziz.

Nothing spectacular was expected from the boys this year, although several boys showed promise of developing into better than average track men. These are: Kenneth DeSherlia, James Coleman, Ray Platter, and Gilbert Whitten who are not graduating and will be back for next year's squad and Dick Yeakey, James Stallings, John Shoppet, and Edward Blair who graduate.

First Row: Bill Tuggle, Ellston Campbell, Ray Simpson.

Second row: James Stallings, Don Hill, John Flexon.

Tennis

Doubles team of Simpson and Campbell won District doubles crown at Collinsville. They scored enough points to share top honors with Belleville and Granite City.

Simpson and Campbell were taken to the State meet and won their first set 6-2, but lost the match to a Chicago team when the up-state boys cut loose with too much drive.

Honoring . . .

Victor "Vic" Schwartz

"Vic" Schwartz came to us from Roosevelt Junior High three seasons ago. His size, speed, and football sense soon showed up and "Vic" made an end position secure his first year in senior high. Height and speed always made "Vic" a good target for passes and even his first season he received his share of passes. In his junior and senior years "Vic" served as "captain" and each season showed him to be a better player than the

last preceding season—in fact game by game he improved. The Tatler hereby honors another "All-State" player of Alton High, a product of merit.

Honors won by Schwartz were: 3 high school football letters; Pat Harmon's Urbana-Champaign News All-State eleven; Chicago Daily News All-State eleven; St. Louis Metropolitan All-Star eleven; the eyes and ears of many colleges. We hope to see "Vic" as a "Missouri Tiger" in 1941.

Glee Club

The purpose of the Glee Club is to give an opportunity for training in four part choral music, sight reading, tone placement, and to develop individual skill in singing. The Glee Club makes numerous appearances both here and at other schools. Among schools visited this year have been Shurtleff and Monticello Colleges. The Glee Club also appears at many churches. They present a Christmas program and usually take part in the program for the baccalaureate and commencement exercises.

The Glee Club is a member of the State High School Choral Association and may enter competition sponsored by this association.

This year the Glee Club entered five soloists and two ensembles in the state solo and ensemble contest on April 6, at West Frankfort. Of these, three soloists and one ensemble emerged with firsts. There were two seconds and one third, also. Those rating first were: Alma Gallinot, alto; Bill

Reed, baritone; and Carl Belcher, bass. The girls' ensemble was the only ensemble to rank first. Members of this ensemble were: Marjorie Hermann, Eileen Mohler, Mary Mueller, Lois Lowrance, Alma Gallinot, Bonnie Oden, Ettamae Boyce, and Jeanette Schnell. The mixed ensemble, which rated second, was composed of Marjorie Hermann, Margaret Hersman, Ettamae Boyce, Bonnie Oden, Jim Lefler, Oliver Wimmer, Bill Reed, and Carl Belcher. Jeanette Schnell and Marjorie Hermann, mezzo-sopranos, ranked second and third respectively. Those who rated first in the state contest were eligible to attend the National Regional Contest at Springfield, Illinois.

The director this year was Mr. Hogan. He obtained the risers for the Glee Club to stand on. He also obtained permission for the Glee Club to use the senior graduation robes for their numerous appearances.

Quill & Scroll

The Quill & Scroll is a journalistic honor society, international in scope. The Lovejoy Chapter, a charter member of the organization, was established April 4, 1927.

Students eligible for membership must have done creditable work on either of the school publications, The Times or the Tatler. The purpose of the Quill & Scroll is to instill in students the ideal of scholarship; to advance the standards

of the profession of journalism by developing better journalists and by developing a high code of ethics to promote exact and dispassionate thinking, clear and forceful writing. Further, it has been the purpose of the chapter to take on some school project each year. The features this year have been the induction of new members, the banquet, and the annual party with the Honor Society.

Boys' Cabinet

The Boys' Cabinet was founded in January, 1928, when boys who had acted as guides for freshmen organized a service club. The purpose of the Cabinet is to serve the school and to encourage beneficial activities among the boys. The Cabinet members are always ready to assist in school projects in any way they can. They sponsor the high school excursion each year, manage the score board at football games, act as gatemen at

athletic contests and as ushers, when needed, at other school functions. Each February they assist new students by explaining the school activities and individual programs and by acting as guides.

New members are chosen to the Cabinet at the beginning of each semester and officers are chosen at the beginning of each semester.

National Thespians

The National Thespians is an organization of high school dramatists. The Alton Chapter (Troupe 126) was organized in 1932, with eight members. The aims of the society are to develop a spirit of active and intelligent interest in dramatics; to assist directors and students in the presentation of worth-while plays; to stand as a re-

ward for excellence in high school dramatics; to acquaint directors and students with various progress of dramatics in other high schools; and to bring about a closer relationship between the troupes. The Dramatic club sponsors the local Chapter and all members receive the Thespian magazine.

Dramatic Club

The Dramatic club is one of the elective clubs in the school. To become a member one must either try-out or display special aptitude for dramatics. Miss Mildred Rutledge is the faculty sponsor and director of major productions. The organization presents two long plays each school year. During the 1939-'40 season "320 College Avenue" and "June Mad" were presented to large and appreciative audiences.

Student Patrol

The Student Patrol is an organization for service to the school. There are two groups in this club—the fourth hour and the fifth hour patrol. The fourth hour group has one captain and the fifth hour has one captain.

Patrol members serve daily in keeping order in the halls and the auditorium during both lunch hours.

This organization is open to anyone who desires to be a member and is willing to be of service.

Fourth Hour Captain: *Both Semesters*, William H. Reed.

Fifth Hour Captain: *First Semester*, Bob Boyd; *Second semester*, John Flexon.

Student Council

The Student Council of the Alton High School was organized in March, 1938, with the aid of several faculty members and representatives of the clubs of the school. Miss Paul was chosen as faculty advisor. The acting chairman of the meeting was Gladys Watkins. Jane Kane was appointed secretary.

On March 21, 1938, the first meeting of the temporary Student Council was held. First officers were: Gladys Watkins, chairman, and Jane Kane, secretary. On March 25, Eileen Ash succeeded Jane Kane as secretary. The membership of the temporary Council was made up of representatives elected from the counsellor groups. The meetings occurred at irregular intervals at 3:35 on school days.

At the first all-school Election in October, 1938, officers elected for the year, October, 1938, to March, 1939, from nominations made by the 3-1 and 3-2 classes were: president, Bill Drake; vice-president, Harold Patterson; and from the student council were: secretary, Eileen Ash; and treasurer, Lois Watkins.

On February 5, 1939, for the first time, the council met in the auditorium on Friday during the home room period. Instead of being elected from counsellor groups, from this date the representatives were elected from the home rooms. The reason for the change was to make it possible for the representatives to report more readily to the groups which they represented, and to make

it possible for all representatives to be present.

Officers for the year, March, 1939, to March, 1940, were: president, Betty Ash; vice-president, Jim Stallings; secretary, first semester, Bette Hart; second semester, Audrey Bernard.

The aims of the Student Council are expressed in the pledge taken by its members:

I will strive for better government ideals and for the uplift of the association and school, both alone and with others. I will obey and respect the laws and do my best to incite a like obedience and respect in others. I will strive to quicken the sense of responsibility among the students at large, so that we may transmit our student government inheritance, not less and worse, but greater and more beautiful than it was transmitted to us. And this I promise.

Camera Club

The Camera Club, re-organized in September, 1937, has expanded to its present size by the gradual growing of wide spread interest in photography. The members, both boys and girls, headed by their sponsors, Mr. Clark, Mr. Kober, and Mr. Thompson, have gone far in the different fields of photography, making use of their newly completed darkroom.

This room consists of an outer and inner darkroom. In the outer darkroom there is space for drying prints and films, and for meeting. In the

inner darkroom the actual printing and developing work goes on. The club also keeps two windows filled with prints taken by members, most of whom do their own finishing. On exhibit night the members exhibit mounted prints in the library in the form of a Salon. The pictures are the choice prints of the different members.

The club's main interest is to give the members a chance to learn more about photography. This is done in the form of programs. In the past there have been talks on composition, movies, natural color slides, and prize winning pictures.

Art Club

The purpose of the Art Club is "To promote all worthy art activities within the School." The Art Club was organized October 31, 1931, with a membership of nineteen. Believing that a small club with strict admission requirements would make a better working organization, the Art Club has the following requirements:

- (1) A student must have had one year

of art in some high school.

- (2) During this required year of art the student must have made a grade of "B" or above.
- (3) A student must receive a majority vote when voted into the club.

The Art Club pin is in the shape of an artist's palette and has three colored stones in it.

Granite's Warriors dropped in on the Redbirds hoping to grab a scalp as they had done in '38, but the old and familiar "airways" sizzled again and while Granite was stopping Schwartz (at times) another S—Stallings—was grabbing into the ozone and spearing passes to the delight of Alton and the downfall of the Happy???? Warriors. We scored in second quarter on a pass and later we downed our own punt on Granite's 1 yard stripe. They punted to their 27 and Wood raced back to the 15. Two line plays netted number 2. Then for number 3 we started on our 20 making 80 yards and a touchdown before Granite found who really had the ball. Granite threatened only once. Stallings, McCaskill and Lazar scored. Final 0-20.

We traveled to Collinsville remembering the Arctic zone of 1937 when the Kahoks got a 6-0 win but this year the Redbirds vowed "They Shall Not Pass." The Redbirds lost a counter on an end zone fumble but came back to life and marched from the middle of the field to score. Schwartz and Lazar pass combination netted another touchdown. Each of the two times the Kahoks started somewhere they found Harvey Moore stealing their "well" directed pass and the Indians died peacefully on the short end of a 0-13

score. Our scorers were Stallings and Lazar.

Let's make it NINE in a row was Alton's battle cry for the traditional Turkey Day game. For 8 years Western had sought victory and it was in 1934 they had scored their last points. Western had seen a poor season pass by partly due to injuries—Alton for once was conceded victory, a position Coach Jackson never wants. A great day—a crowd—and what a game. The heavy cadets were tough on line plays but susceptible to passes and the faster charging Redbirds. Alton scored in second quarter when Schwartz lateraled to Lazar on the Cadet 13 after he himself had received McCaskill's pass on the 28. It was one of the season's fastest pass combinations. Western failed to score as the half ended with the Cadets short of the goal line by a mere half foot. In the second half Beane blocked a punt of Western on their 13, and Stallings made quick work of a touchdown. A few moments later another forward and lateral McCaskill to Lazar to Schwartz added Number 3 touchdown. Late in the 4th quarter Casperson eluded the Alton eleven for a 29 yard run to Alton's eleven. Here their one good pass clicked and the game ended Alton 21—Western 6. YES—9 in a row. Lazar, Stallings and Schwartz were our scorers.

Howard Hayes: "What is the difference between Boake Carter and a yam?"

Richard Gilmore: "I don't know, what?"

Howard Hayes: "A yam is a sweet tatter and Boake Carter is a common tatter."

Officer: "You've been doing 60 miles an hour. Don't you care anything about the law?"

Charlene Myers: "Why, officer, how can I tell? I've only just met you."

The Scotchman said to his son, who just bought a pair of glasses. "Son when you're not looking through those glasses, take them off and they will last longer."

Dick: "That looks like a smart dog you've got there."

Harry: "He's smart alright, everytime I get ready to shoot he gets behind a tree."

Mr. Berry: "Well, Orval, have you sharpened all the tools I have given you?"

Orval Moxey: "All but the saw, sir. I haven't got the nicks out of that yet."

Student: "Mr. Pruitt, can you type?"

Mr. Pruitt: "Yes, I use the Columbus system. I discover a key and then land on it."

Oh quiet room with lights turned low;
A soft touch on my shoulder,
A warm breath upon my cheek,
A lovely face against my own;
"Who let that cow in!"

Moore: "This barbecue tastes terrible."

Gordon: "What do you mean! The Kerr's made barbecues before you were born."

Moore: "O.K. But why serve them now?"

Luddeke: (on a barge) "Boy, I'm seasick."

Matt: "You'll be all right when the moon comes up."

Harry: "Gosh, does that have to come up, too?"

Gay Storer: "Do you really love me?"

Clyde Sheets: "You ought to know I do."

Gay Storer: "How much?"

Clyde Sheets: "Here's my check book—look over the stubs."

A knock at the door. She frowned.

"Come." She didn't turn to greet the intruder.

"Hello, Lilie."

She half rose and then slowly turned. Again the mocking smile.

"John, so nice of you to come." He looked as though he had suffered. "It has been long, hasn't it?"

"Fifteen years."

He said it sadly, she noted. At last he knew that he could never reach her heights.

"Lilie." He paused and drew back his shoulders. "I have been waiting long to say this."

It will do you no good, John, she wished to say. But still, let him pay.

"Your performance tonight" . . . He paused.

"Yes, John?" she encouraged rather breathlessly.

"Darling," he said softly, "You were lousy."

Serious: "What do you do when all the world is gray and gloomy?"

Smart: "I deliver the milk."

Radio stations should start off the morning broadcast with : "Who left the radio on all night?"

Coach Jackson: "What's your name?"

Stude: "Scanjavischijdo, sir."

Coach Jackson: "Put him on the first team, boys."

The following correction appeared in a provincial paper: "Our paper stated last week that Mr. John Doe is a defective in the police force. This was a typographical error. Mr. Doe is really a detective on the police force."

Rat (knocking at a senior's door): "You told me to call you in time for your first class, but I didn't wake up myself. It's ten o'clock now, your class is over, and you can sleep as long as you want."

Miss Machin: "What are the three words you use most?"

Dorris Wilton: "I don't know."

the 1990s, the number of people with a diagnosis of schizophrenia has increased by 50% in the United Kingdom (Meltzer 1996).

There is a growing awareness of the need to improve the lives of people with mental health problems. The United Kingdom has a number of national strategies for mental health care, including the 1998 *Mental Health Act* (MHA) and the 1999 *Mental Health Strategy* (MHS). The MHA sets out the principles of mental health care, and the MHS sets out the principles of mental health care for people with a diagnosis of schizophrenia. The MHS also sets out the principles of mental health care for people with a diagnosis of schizophrenia who are in contact with mental health services.
